

# 2009 EOC YOUNG BIRD AUCTION

Hi to all EOC members,

I hope every one had a great holiday season and the New Year brings lots of success in the upcoming breeding and flying season.

We have received confirmation of location for the upcoming EOC annual young bird auction the location will be in Cobourg at the same place as last year "Orange Hall" directions will follow.

The date will be Sunday April 26 2009. The money raised in this auction will go 100% to the combine after expenses. It is important to have a good turn out and good participation from combine members.

The combine is getting on track financially and we must keep going forward, we need more baskets and we also need to build up a trailer repair fund. In order to achieve that, the support of all members is required.

Look for upcoming details of the auction on emails and website.

At this time we have an auctioneer in place, thanks to "POT" Fox for volunteering he did a great job last year.

I will do my best keeping things rolling along smoothly, I would like some volunteers to help run the canteen and set up other various jobs that need done, but most of all we need 100% support, THIS IS OUR COMBINE and we should be proud of it.

If any one can get some kind of donations for our raffle, such as, feed, gifts, etc. that would be also great, as that money will be for the combine.

For additional info, please contact me at 905-922-5176.

Yours in sport,  
Sam Ferrara
